About Kendall Whittier Inc.

Kendall Whittier, Inc. established in 1968, is a small nonprofit organization in Tulsa, Okla. focused on feeding hungry neighbors. ***We are a home-grown community organization incorporating self-sufficiency for our neighbors through food security, nutritional health, and well-being.*** Neighborhood families suffer from many of the challenges caused by systemic poverty, including poor nutrition and food insecurity. Our overall objectives are to improve the quality of our neighbors' lives by meeting their needs for emergency food services and by providing access to healthy foods both through outreach efforts and *hands-on educational experiences*.

We provide assistance through programs that target specific basic needs: **Community Development and Outreach; Emergency Food Pantry** and our **Community Gardens**. A major part of our **Community Development and Outreach** program, is our Partners in Education efforts at neighborhood Public Elementary Schools where we provide volunteer and financial support for their annual Holiday Gift Bag programs, serving 1800 children in 2017. Our **Emergency Food Pantry** has been in continuous operation since 2000. The only delivery pantry in Tulsa, we provide, at no cost, one week's worth of groceries for a family or individual in need up to four times per rolling 12 month period. Our **Community Gardens Programs** are comprised of three organically grown community gardens that operate in Kendall Whittier neighborhood. Two primarily serve as outdoor classrooms for students age 13 and under: GROW Teaching Garden and Sequoyah Elementary School Garden and our third, Tipton Community Garden, operates as a traditional community garden in which participants adopt and tends garden plots. Our programs have changed and evolved during the past 50 years but the basic needs of the neighborhood have not and our commitment to be an agent for community improvement and empowerment remains.

About the Kendall Whittier Inc. Golf Charity Tournament
